04 SOURCE OF FUNDS

The Isle of Man Financial Services Authority requires all Isle of Man life companies to make enquiries as to how an applicant has acquired the monies to be used as payment for their plan. This reflects the Isle of Man's commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to meet these regulations, categorising our products and countries that we will accept business from into Standard or Higher risk. We have categorised countries according to their level of compliance with international regulatory standards.

I confirm that I have included a KID with this Additional Payment Form.

I understand that the KID sets out the details of my additional payment and the charges that will be deducted.

I confirm that I have included an Illustration with this Additional Payment Form.

I understand that my Illustration is not guaranteed by RL360 or my adviser, and only offers an indication of what I might get back under a limited number of scenarios.

Availability

I fully acknowledge and accept the risks associated with linking the value of my plan to a cash deposit account, and I am aware that my deposit may not be covered under any depositor compensation scheme should the deposit account provider become insolvent. I understand that this is because RL360 Insurance Company Limited holds this account on my behalf. Therefore the amount (if any) which is recoverable under any scheme could be substantially less than the amount I might have been able to recover had I owned the cash deposit account directly.

I am aware that to cancel my additional payment I will need to complete the Cancellation Notice and return it to RL360.

I accept that RL360 can bring my plan to an end if I have failed to disclose any facts that may influence the decision to accept this additional payment application.
