COMPLETING THIS FORM

The form is split into 2 sections:

Section 1

This is where you instruct your bank that you would like to debit an amount of money from your account in relation to your policy. **You must complete this section in full, making sure that all policyholders, trustees or authorised signatories sign.**

Where applicable, please ensure that the authorised signatory list(s) that we hold for your policy are up-to-date before submitting instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will cause a delay. We may also request further information for the purposes of Anti-Money Laundering.

Important

Some banking institutions may deduct charges for processing international payments. Please check with your bank if any charges will apply prior to transferring your premium to us. If they do, please make sure that the amount your bank transfers to us is enough, so that the remaining amount received by RL360 is at least equal to your premium.

Section 2

This is to be used to confirm which RL360 account your bank should pay monies to.
