Dear «Salutation»

CLOSURE OF THE NINETY ONE UK SMALLER COMPANIES FUND AND IMPACT ON YOUR RL360 PLAN - «PRODUCT_NAME» - «Policy_No»

We have been informed by Ninety One Fund Managers UK Limited ("Ninety One") of its intention to close the **Ninety One UK Smaller Companies Fund** (the "Affected Fund").

Your plan invests in the Affected Fund, so we wanted to make you aware of the action we will be taking following the Ninety One notification and explain your options for switching to a different fund if you prefer.

Background

As part of a review of its fund range, Ninety One has decided to merge its UK Smaller Companies Fund into its UK Special Situations Fund (the "Proposed Receiving Fund") on 7 March 2025 (the "Closure Date"). It will stop accepting subscriptions on 6 March 2025 at 12 noon UK time ("Subscription Suspension Date").

Action RL360 will be taking in regard to the merger

The Proposed Receiving Fund is not available in our Savings and Investments fund range or Protection fund range applicable to your plan. Therefore, we will instead switch your holdings into the **Fidelity UK Smaller Companies Fund** (the "Alternative Receiving Fund"), the share class of which will be in the same currency as your current Affected Fund holdings, on **6 March 2025** (the "**Switch Date**"), just ahead of the Subscription Suspension Date.

The Alternative Receiving Fund has been selected as it is similar to the Affected Fund. Details of the Affected Fund and the Alternative Receiving Fund are set out in the Appendix at the end of this letter. Please refer to the Appendix for further information.

We have now closed the Affected Fund to new business and switches in with immediate effect. As an existing investor, you can continue to invest in the Affected Fund until we switch you.

Details of the switch will be available to view via the transaction screen for your plan on our Online Service Centre. If you are not already registered to manage your plan online, you can sign-up at www.rl360.com.

Your options

If you are happy with our selection of Alternative Receiving Fund you don't need to do anything. However, if you would prefer to switch and/or redirect any regular premium allocation to a different fund available to your plan, it's free of charge and very easy to do. If you would like this to happen before the Switch Date, we must receive your instructions by **12 noon UK time on 5 March 2025**.

You may want to discuss the options with your financial adviser before deciding.

** 5 Year Standard Deviation – Standard deviation is a statistical measurement which, when applied to a fund, expresses its volatility, or risk. It shows how widely a range of returns varied from the fund's average return over a particular selected period; in this case a 5 year period has been selected. If a fund had an average return of 5%, and its volatility was 15%, this would mean that the range of its returns over the period had swung between +20% and -10%.
